

The Spoken Word: Words of Life

Author Christopher G.A. Fox combines his love for God and poetry in his new book, *The Spoken Word: Words of Life!* Jeremiah Washington has a fiery passion for spoken word poetry and is a man after God's own heart. With loving friends and a grandmother who has cared for him over the years, Jeremiah had lived a pretty good life. But what happens when his world comes crashing down? Will he stand strong in his faith in God? Will he find peace in Jesus, even in the midst of troubles? Or will he give up on everything he knows and has, including his excitement for spoken word? The decisions he makes cause a rippling effect on his life.
