

Priest-Kings of Gor (Gorean Saga Series)

This is the third installment of John Normans popular and controversial Gor series. Tarl Cabot is the intrepid tarnsman of the planet Gor, a harsh society with a rigid caste system that personifies the most brutal form of Social Darwinism. In this volume, Tarl must search for the truth behind the disappearance of his beautiful wife, Talena. Have the ruthless Priest-Kings destroyed her? Tarl vows to find the answer for himself, journeying to the mountain stronghold of the kings, knowing full well that no one who has dared approach the Priest-Kings has ever returned alive.
