

The Puffin Treasury of Modern Indian Stories

The Puffin Treasury of Modern Indian Stories is a unique collection of stories and excerpts written by master storytellers. It represents for the first time the richness and range of writing for children in India during the twentieth century. From Ruskin Bond's humorous Snake Trouble and Vikram Seth's animal fable in verse The Elephant and the Tragopan to Salman Rushdie's fantasy Haroun and the Sea of Stories and Satyajit Ray's gripping tale The Hungry Octopus, this anthology has a vibrant mix of styles and forms. With spectacular illustrations by a host of the most talented artists working today, this anthology will delight both children and adults.
