

## The Ravens Pool

AN ANCIENT FEUD. A MODERN LOVE TRIANGLE. A TWISTED PLOT FOR REVENGE. Jake accelerated and recklessly took the next curve in the road. He slowed and shifted gears. Twelve years, thirteen, he had searched for clues to the Raven. It was not going to be easy. But he hated Clifford Radisson, hated him for hurting Angeline. He couldn't kill the man so he would kill his dream. Even if it meant the destruction of his own. The serenity of the San Juan Islands is disrupted when a developer threatens to build a theme park atop a sacred native burial, turning archaeologists Jake Lalonde and Angeline Lisbon into the targets of a 10,000-year-old feud between a Haida shaman and his chief.
