

## Reasons of State

This book revolves around the primary assistant to the US President as crisis after crisis evolves. Massive Latin American immigration has flooded Texas, Arizona, New Mexico and California, which are demanding separation from the US. The Mars colony of the US implodes. Sexual mores have deteriorated within the US. India and China have fought a massive war in 2025 resulting in death for hundreds of millions. Israel and the Middle East were decimated in a nuclear war.
