

Grandmas Cookie Jar

Ray Renshaw retires and plans a leisurely travelling holiday around Australia. Things don't always go to plan and Ray finds himself in some unexpected and difficult situations. The characters of the Australian outback feature prominently along with other not so savoury characters. A plane crash sets up Ray's first adventure as he tries to survive in the bush. He also has some good times as a hotel owner and country gentleman. His travels allow him to meet and get to know many different true Aussies.
