

## Renaissance, A Modern Day Cinderella Story

Every girl dreams of being a princess; but for one young orphan named Alanna, this dream has come true. Join Alanna as she struggles to learn what it takes to be a princess in an era where knights in shiny armor really did save damsels in distress, and where tournaments of clashing metal are the favored pastime event. This is a story about growing up and all the awkward, funny, wonderful, and sometimes difficult things that go with it. Its a story of love, sacrifice, and endurance.
