

The Daily Shift: Its Not What You Think. Its Better Than That

Think Differently: And Change Your Life For The Better Does your life keep going on the same way, sometimes getting a little better, but not really fulfilling your dreams? Or, perhaps in spite of all your best efforts, life is getting harder. To change your life, you try many ideas about how to fix it. Some work for a brief time, others don't work at all. We all know that perception is reality. This means that in order for life to change for the better, permanently, our perception has to expand into a different way of thinking. We know that in order to change our life, we must think differently. Good shifts happen, because we shift our behavior and habits. However, that isn't enough, because we can only change within, and what we currently perceive of as reality. How To Think About God, As God Thinks About You The only lasting solution is to shift our perception of reality. We must let go of our human way of thinking, and move into the Divine, infinite way, of thinking. The Daily Shift, transforms us out of our small view thinking, and into the infinite viewpoint of God. God is the thinker; we are His thoughts. With this spiritual awakening, we begin to think differently, and our experience of life shifts to more abundance, ease, and grace. By reading these spiritual inspirations just a few minutes each day, this book will change your life. The Daily Shifts, inspirational messages will help you think differently about 16 different subjects; like wealth, money, love, and relationships. You will learn how to listen, use silence to your benefit, and think about God in a brand new light, dissolving problems, and inspiring each moment of your day. The truths found in this book will set you free. Its daily inspirations will help make your life changes delightful, easy, profitable, and immediate. There is no reason to wait for the good that is already present. The time is now! Get The Daily Shift, and experience Life as it is, infinitely

abundant for you.
