

Richs Apolonius Silla, an Original of Shakespeares Twelfth Night (Classic Reprint)

Excerpt from Richs Apolonius Silla, an Original of Shakespeares Twelfth NightI have to thank Messrs. Methuen for kindly allowing me to make occasional use of the Arden Edition of Twelfth Night. I am also indebted to Mr. H. H. Furnesss Variorum edition of the play. To Mr. John Payne our thanks are due for his kind permission to print the extracts (on pp. 31-38) from his excellent version of Bandello. I have also availed myself of Peacocks version of GIngannati (London, 1862). I must further express my obligations to Professor Moore-Smiths edition of Laelia, Cambridge University Press, 1910. As to Mr. Maurice Hewlett in the Caxton Shakespeare, I owe him an apology, or he owes me one. He writes (Introduction to Twelfth Night, page xiv.), Mr. Morton Luce suggests that Olivias steward may be scented here (in the Malevolti of GIngannati). I owe him the apology, because, in the first edition of my Handbook to Shakespeare, published April 1906, I did write - he found as I believe, the name Malevolti, and changed it to Malvolio. But about a month later Mr. Hewlett would have read in my (newly published) Arden Edition of Twelfth Night, page x - he doubtless found the name Malevolti, and changed it, as I believe, to Aguecheek.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
