[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Peter Ramsey is a human and a doctor in training, all things that his mate, alpha wolfhound Phoenix, despises. Though Phoenix loves him, Peter thinks something is wrong, especially when he and Phoenix can hardly spend any time together thanks to Peter's work and schooling. If Phoenix decided he didn't want him, Peter wouldn't be able to survive it. Phoenix doesn't understand humans. Even after mating with Peter, he still distrusts them, especially scientists and doctors. The only human he does like is his mate, and even then, Phoenix worries that Peter might not want to live the dangerous life that comes with being mated to a wolfhound. When humans and rogue wolfhounds attack the pack, Phoenix loses control of the vicious animal within him for the first time in years. His nightmare comes to life as that bloodthirsty animal comes face to face with the man he loves. The man who cannot defend himself should Phoenix attack. ** A Siren Erotic Romance
