

## ROMEO AND JULIET- William Shakespeare. All explained, and with comments. For the XXIst Century readers.

Claudia Daneu has explained and commented Shakespeare's original text edited by Howard Staunton (here entirely reproduced), with the utmost carefulness. Unless every symbolical expression, metaphor, joke, ironical allusion, intra-textual or extra-textual reference, is closely studied and cleared up in its deepest meaning, Shakespeare's genuine aim will never be understood. The present work invites the readers to approach Shakespeare's world, to admire it in its priceless value, and to enjoy it beyond the bonds of literature. Claudia Daneu has also translated into Spanish, explained and commented, Shakespeare's ROMEO AND JULIET, and ANTONY AND CLEOPATRA.
