

# God Is

This book of poems was created by God for us as written in my heart, and will lead you into a deeper understanding of your walk with Him. They will remind you of how amazing, forgiving, kind, loving, and merciful God really is. This book also confirms how we did not, and cannot, earn His grace and mercy. These poems are about life and how living for God is a life-time challenge against self, sin, and Satan. My prayer is that God Is will inspire you to seek a greater understanding of Gods will for your life and what He allows you to go through.
