

Sealed by Desire: A Steamy Contemporary Military Romance

I want Aspen Thomas, and I ALWAYS get what I want. The name, Blake Landon, is golden in this town. Almost everybody knows me as the best in my job and any job, for that matter! More than my good name, I possess the looks, power and money that can entice any woman to slide my Harley between her legs and take a ride. I want to make my move once again Well, lets just say that this time it didnt go right Aspen is a tough nut to crack. And yet, my heart tells me that I can claim her. She can try reasoning with me, play cold with me, act super arrogant..but nothing, absolutely nothing can prevent her from being SEALED BY DESIRE!
