

Alterien: Shadows of the Past (Volume 2)

The second in an exciting new sci-fi series, *Shadows of the Past* takes place shortly after Oberon discovers his true identity and that he is no longer human. In an effort to learn even more about his past, the Alterien hero embarks on a trip with his older half-sister, Sharon, to reunite with the rest of the family. However, another figure from his past returns to threaten the future he seeks to build.
