

Seasons & Elements: Poetic Phases of Love

Seasons is a poetic journey through the course of a failed marriage. When I divorced my husband, I was thrown into the dating world. With three kids, I quickly found that it wasn't all I thought it was cracked up to be. Throughout the book, you'll see expressions such as love, hate, sadness, anger, happiness, and victory. You'll also see the evolution of me from the end of my old marriage to the start of my new one. Join me on my poetic journey through love and all of the confusion, change, and restoration it can bring. By the time you reach the end, I'm sure you will have found that there are quite a few memories of your own that relate to mine. Most importantly, I'm sure you will have found peace with those memories.
