

## Secret of the Sands, 2009 ReadersFavorite.com Fiction-Mystery Silver Medalist,

For 12,000 years a dark and deadly secret has been hidden deep below the Great Sphinx of Giza. In present day Egypt, a frightening, yet awe-inspiring story unravels as archaeologists race against time to decipher an ancient truth... A deep probing mystery riddled with prophecy and danger, Secret of the Sands uses Egypt and her mythology as a backdrop to delve into the meanings of life and religion. -McNally Robinson Rai Aren and Tavius E. have crafted a fast-paced, exciting novel overflowing with mystery and intrigue. The tension is constant. The characters are fully developed. And the plot is gripping. Ancient history and present day relevance are so expertly intertwined, that you forget you are reading a work of fiction. -Thomas Phillips, author of The Molech Prophecy

A Prophecy was Told... An ancient prophecy, thousands of years old, told of the coming of the Chosen one, but she will be both loved and feared, and some will stop at nothing to defy everything she represents

A Secret Long Buried... A secret power that once proved too deadly, was hidden away deep beneath the sands of Egypt, only to be revealed by its sworn guardians when the time came that the knowledge would be safe

A Deadly Riddle is Unlocked... Two young archaeologists fatefully unearth unusual artifacts dating over 12,000 years old. The exhilarating find however, is wrong - very wrong. The artifacts shouldn't be there...they shouldn't even exist at all

A Power Unleashed... Now after remaining dormant for 12,000 years, the secret has been uncovered, and its true purpose suspected. What will be the greatest discovery in human history will either change us forever or destroy us for trying... Secret of the Sands is a unique cross-genre novel with a double-storyline. The genres it encompasses are mystery, suspense, archaeology adventure, & historical fiction, combined with an element of speculative sci-fi. The story

revolves around Great Sphinx of Giza & alternate theories about its age & origins. The novel weaves a new (fictional) chapter to ancient Egyptian history with an explanation for the true origin & purpose of the mysterious & enigmatic Great Sphinx. Continue the adventure! Destiny of the Sands the thrilling sequel to Secret of the Sands. Some secrets cannot remain hidden and some cannot be forgiven... Destiny of the Sands continues the archaeological mystery tale of Secret of the Sands, taking the characters you've come to know & love on a darker, & far more perilous journey. Mitch & Alex, our young Egyptologists, along with their friends, Jack & Bob, are mysteriously called back to Egypt, just as a sinister enemy surfaces. Dark forces are on the hunt for the priceless, yet deadly ancient artifact Mitch & Alex unearthed 18 months ago below the Great Sphinx of Giza. This powerful technological device, which had remained hidden for over 12,000 years, thrusts our friends into a fight for survival as they are outmatched & outgunned by a hostile adversary that knows exactly how to get to them. In the past, we see embattled King Traeus rocked by a devastating secret that has been revealed. This secret will change his life forever. Deadly threats emerge, spurred on by this shocking secret. Now there are no lines that will not be crossed in a terrible fight for power & in the name of vengeance. In both the present & the past, a secret that has been carefully guarded emerges, & nothing will ever be the same again. The Great Sphinx of Giza has guarded a secret, both dangerous & incredible, for 12,000 years. Now deadly enemies emerge, and those involved must face startling truths and deep sorrow, in the fight against the forces of tyranny. High adventure, past and present, merge into a multi-leveled tale of epic proportions in this triumphant sequel to the best-selling novel, Secret Of The Sands! ?- Gary Val Tenuta, author of Ash: Return Of The Beast and The Ezekiel Code
