

## Selected Poems

In 2004, Shearsman published Lee Harwood's Collected Poems, which proved what many of us had known for many years: that Harwood is one of our living masters. Four years on, and we now offer a smaller selection of his work, which will serve as an introduction for new readers, covering the period from 1965 to 2007. While the lions share of the poems are drawn from the Collected, some new poems are also featured.
