

Rivers of Praise

So often today, believers can become discouraged by repeated exposure to apathetic Christians as well as outright agnostics. If such interactions in the workplace or private life have left you parched and empty of the zeal and vigor of your first love walk with Christ, Rivers of Praise is for you. This is inspiration that keeps it real and will surely prove to be a refreshing drink from the living fountain, renewing and reinforcing personal zeal for faith and service. Because Gods words are true and righteous altogether, these words of inspiration, power, and devotion can help renew your faith and determination. These are poems the Holy Spirit can use to charge your spirit with courage and joy. Drink deeply and be refreshed!
