

## Shadowing Charles Dickens

At the front of St. Brides, conversely, the gravestones were serried and well-kept, amid trimmed lawns and neat box hedges - permanent markers to the endless passing of the great and the good. The back-side was a disgrace, reflected Billy, unless, of course, you were a rat or a rat-catcher. For also at the rear, out of sight and mind of respectable Londoners, were the paupers graves. Paupers were interred on Wednesdays - usually without coffins. The bodies were simply thrown into a burial pit, lightly covered with soil, and then boarded over until the following Wednesday. This perfunctory process was repeated, week upon week, until the pit was full and a new one had to be dug. Billy had discovered that by Thursday nights the rats of St. Brides were invariably in eager attendance, attracted by the newly broken earth and the renewed stench of putrefaction...
