

## Shakespeares Planet (Medallion SF, Z3394)

The most terrifying hour in all time Horton wasn't a coward. He could bear the crushing loneliness of being marooned on a hostile planet light years from home. He managed to survive among alien outcasts that included a low-budget robot, a royal cannibal, and a beautiful missionary sporting a tattooed breast. He was even prepared to die for his new tribe, if necessary. But no one could withstand the nightmare horror called...The God Hour.
