

The Pridelands 1: Darrens Surprise

Darren Coleman has never been so frustrated. His baby brother has disappeared, he cant concentrate on work, and at night hes tied up with the most erotic dreams hes ever had. When Aaron shows up again, bringing with him an unbelievable tale, Darren doesnt know what to do. Especially when one of Aarons companions just happens to be the man hes been dreaming about. Man? Make that catman. Durai Steinsson has come to claim his mate. He wont let anything get in his way. Not even Darren.
