

Skorn

You cant escape the prison of your past. Cassie Dammell, a top Wayne County Prosecutor, has a past that has come back to rear its ugly head. She, more than anyone, should have known that you cant escape the prison of your past, especially when a dangerous man is involved. Some call him Lucifer, but Law Enforcement calls him the most notorious and ingenious Heroin Kingpin in recorded history. Adrian Skorn has never seen the inside of a prison and doesnt plan to. He will kill time itself, if it means keeping his freedom. Every debt must be paid, when that debt is due, regardless as to whom it may concern. Raised in the game, before the game was a thought, he is one of the last true kingpins playing the game, the way the game was meant to be played. What happens when he crosses paths with Darius Erachkovic, a sadistic psychopath hellbent on seeing him destroyed? These two criminal combatants leave the Metro-Detroit area littered with bodies and plenty of bloodshed. While Cassie tries to reconcile the demons of her past, and Adrian tries to survive long enough to confront his one true love, will he make it or become a victim of the madman, Darius Erachkovic? Only time and the streets know the answer!
