

Slave to Shadows

Rafael, a gorgeous and promiscuous bottom boy, has always been the favorite of every top in his town. However, Rafael knows he won't be young forever, and a part of him wants more than just night after night of giving up his rump to an endless array of men. Worse, a psychic predicted that if Rafael didn't find love by the time he turned twenty-eight, he would never have anything more than meaningless sex. When the eve of his twenty-eighth birthday arrives, Cavan, a mysterious and handsome stranger, strips Rafael naked at a popular club and abducts him. Cavan is the most dominant and talented top Rafael has ever experienced, but he even has more to offer. Cavan is a vampire, and he desires to make Rafael his eternal bottom boy. Cavan has the power to keep Rafael young, beautiful, and healthy forever, but he requires the one thing Rafael has never been capable of: monogamy. Will Cavan's unstoppable lust and unceasing love make Rafael give up what he craves most for one man?
