

Soul: Our Divine Connection

In this lovely book of passionate poetry, John Chuchman shares his Quest for True Self, urging and encouraging his readers to embark on a similar journey, one of an awakening connection to the Soul. Through his passion for writing which blossomed in his second half of life, John challenges us to listen to our souls essence, that secret that is our passion, that part in our soul, ready to be awakened. Many of Johns poems encourage the reader to realize how important, even essential, it is to unleash our creativity. Here we will experience the fulfillment, the joy, and at times, even the agony of our never-ending quest to BE True Self. Soul is a delightful look at the most important Quest in life.
