

Challenger

Sgt. Rota Normal waited for the round to reach the target. His challenger tank rocked slowly back and forth in slow motion as if it was on a movie screen. The round hit the T80 just under the turret ring sending the turret and its crew flying through the air only for it to crash earth wards like a falling leaf. The start of the oil crisis had begun now it was up to Sgt Normal with his skills to fight for survival and to get the rest of his troop back home at all costs.
