

The Strange Case of Dr. Jekyll and Mr Hyde

Hero of this story, Dr. Jekyll was a man with dual personalities. In public eyes, he, with a lofty virtue worthy of respect, was knowledgeable. While in the depth of his heart, an evil personality was lurking. He invented a chemical agent. After taking this drug, he can become the little ugly, Mr. Hyde. And the evil power could control him, which could make him pursue pleasure outside and do all bad things. After he came back home and took the other dose, he became that respectable Dr. Jekyll again. Later, this change was out of control gradually. He found that he cannot change him back but only as the sinful Mr. Hyde staying in the world. Before the discovery of things what he had done, Dr. Jekyll committed suicide because of remorse and the fear of punishment.
