

Stepping Heavenward

Stepping Heavenward is the journal of a girl named Katherine Mortimer. She struggles with very ordinary things like you and me. Katy meets a young man who she loves & wants to marry but her mother is very much against their plans. Then Katy gets sick and she finds out just how much her fiancee really loved her! Then, there is pain and heartache over the broken engagement; sorrow that she had not listened to her mother. But Katys life goes on through her marriage to a Godly man & motherhood and many tragedies. Her life is a constant struggle to step heavenward, and poor Katherine, like so many of us, takes 1 step forward - 2 steps backward. - Excellent!
