

The Storeman

This is the story of Jim. Jim is a downtrodden little storeman. A more than ordinary nobody trapped in a nightmarish marriage. How can he escape a life of such misery and such futility? Then a chance win on a lottery wins him a luxury holiday to Spain and a chance to escape. There he meets an old friend, Dick, and then Sally, a recent widow of an ex-gangster. She is the owner of a villa and the two men agree to caretaker it for her but soon this idyllic triumvirate is shattered and Jim must now start on a new journey
