

## Mystery Mountain Three

Three weddings in one book: Two were surprises...to the brides. How would you like your 2 tween boys to completely plan your wedding - and you didn't even know about it - you were in a coma... Can a young woman survive being hit by lightning? How can her disfigured body ever have any kind of a normal life? Who could love her in this condition? What horror could have happened to a young girl that was so terrible it has her zoning out? Why would a sheriff, a deputy and a rough mountain man show up a Baptismal Service fully armed? How does a thief get into homes without breaking in - even locking the door as the robber leaves? What IS a Bonding Ceremony? Can a huge old copy machine be revived? What could this relic possibly have been used for? Is there a use for it now? If you like fast moving adventure, surprises, lots of romance and danger, you must read this third book in Marie Grace's series called MYSTERY MOUNTAIN.
