

Tales of Tails

With its adorable, endearing animals and large, tail-shaped flaps, Tales of Tails is irresistibly fun. Each character introduces itself, then invites readers to lift tail-shaped flaps to see what the different tails do. Of all the odd and quirky things--my tail is where I wear my rings! rhymes the raccoon. If I raise my tail up high, let me toddle safely by! warns the skunk. The bright, quirky illustrations and cleverly rhymed text in this companion to Peek-a-Moo! will delight kids with nonstop lift-the-flap fun.
