

Tapping for Teachers (Tap to Achieve Book 1)

Tapping for Teachers-- This workbook is for you. Elizabeth Solana Calabro knows what it's like to have lesson plans to create and write, a classroom to organize and manage, materials to make ready and to be mentally and physically prepared to facilitate a group of children, every day. Although you love what you do and have a passion for sharing your knowledge, the amount of energy you expend and receive from your students can be overwhelming at times. Did you know that your energy sets the tone for everything you do and what happens around you? How would it feel to: walk into that interview, conference, presentation or evaluation calm and relaxed? feel in control and running on the highest energy possible? think clearly under stressful circumstances? be able to handle any of a multitude of daily interactions, events, personalities and crisis calmly and confidently? let go of limiting beliefs and mental roadblocks? be more effective in your work and in your relationships? Wouldn't it be fantastic? Wonderful? A relief? And it's so easy, you hold the tools in your hands. Based on acupressure and meridian tapping techniques, this EFT (Emotional Freedom Technique) process will restore the balance of energy in your body. Setting a positive tone in any environment, whether it's the classroom or at home, makes life flow more easily. This guide is not just for teachers but also parents, students, managers, employers, and employees. Everyone should know about this amazing technique, which will help you in dealing with a multitude of situations, personalities, emotions, temperaments and attitudes. The Tapping for Teachers workbook and guide includes: Clear instructions: Setting up the phrase(s) and tapping points Links to video instruction on-line Worksheets to create your personal tapping messages Tips and suggestions for working with kids Resources and research
