

## Tarshan

Trapped in a vortex, unable to escape the terrifying force, Tarshan and Celeeshia are projected through time into a parallel universe billions of years in the future. A tide of evil envelops the surrounding systems. The Gorgonian humanoids, and a Livvid brotherhood vaguely reminiscent of corpses notorious for barbarity, personify two opposing aspects of chaos. The Livvids concealed aims to destabilise the existing social order of the masse; to apotheosise their own to Lords of the Galaxy. In the blood-soaked labyrinth and corridors of the inner city Tarshan and his legions take their vengeance on the fleeing Livvids into an Underworld of appalling atrocity.
