

## Ten Mile Creek

Arriving at his new coaching job in Toledo, tennis pro Palmer Morel sees great opportunities for love and excitement. His room is next to a beautiful woman, his boss seems friendly and wise, and his pupil is a young man with confidence and power on the court. But after one night of horror, Morel learns beauty can be vicious, bosses can have violent secrets, and a nice young man can be threatened by forces from the past. How he copes with these revelations turns his life into a manic ride down the treacherous and bloody Ten Mile Creek. And when the secret escapes from its hiding place, the real corruption is exposed.
