

Gotta Minute? The abcs of Successful Living: Getting what you really want

The book market is saturated with guides on how to live more successfully. Many require the reader to wade through a myriad of lengthy philosophical beliefs and principles. All too often, well meaning readers buy these books with every intention of absorbing all the bits of wisdom inside. Unfortunately, many don't have time to really study such books, let alone extract basic daily living guidelines. Tom Massey has written a simple book. The ABCs of Successful Living cuts to the chase. It is an easy read. Pick it up and you may find yourself motivated to read it from cover to cover in one sitting. Or it may be easier to read whenever you want a spiritual pick-me-up. This book is a true blessing. In relatively few pages it covers a broad spectrum of practical advice and affirmations for improving your life; for transforming your perspectives on living and being. Use only part of this book and you'll find yourself entering a new level of conscious awareness; use it and apply it all and you'll learn that the true secrets of life and universal knowing are essentially simple. This is a very simple book with the power to change your life. It's just that simple.
