

The Bar-Rooms at Brantley: Or, the Great Hotel Speculation (Classic Reprint)

Excerpt from The Bar-Rooms at Brantley: Or, the Great Hotel Speculation For over ten years there had not been in Brantley a single public house in which liquor was sold. The town lay stretched along the Bedford turnpike, its neat white houses, with their green latticed blinds, and gardens filled with shrubbery and flowers, presenting an aspect of thrift and comfort. There were a tannery, a saw-mill, a large shoe manufactory, and an establishment for canning the fine fruits and vegetables with which the fertile neighborhood abounded. Other industries added their measure of prosperity to the pleasant town. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
