

The Bloody Road to Death (Cassell Military Paperbacks)

The seasoned killers of Hitler's 27th Panzer Regiment fight their most savage battle yet, in bestselling author Sven Hassel's continuation of his wartime saga. With 52 million copies of Hassel's novels sold worldwide, readers are eager to find out what his band of misfit soldiers are about to do next. Now veterans of the trenches and seasoned front liners, Tiny, Porta, and the rest find themselves in a godforsaken and deadly cactus forest, crawling with snakes, scorpions, and giant ants. It's a place that reeks of danger and death and when their water rations run out, they come close to madness and murder from thirst.
