

Enochs Children

Tobias was not quite from Earth. Cory and Thomas, best friends since elementary school, planned a quiet, relaxing summer. That was before they met Tobias at the hidden lake. Tobias changed everything. He wasn't alone. Remmick followed with his soldiers determined to find Tobias. He arrested Tobias and his sister, Anisha, but he also arrested Cory, Thomas and Lori, all friends in the small southern Utah town, and guilty by association with Tobias. Their hopes of a quiet summer ended when they arrived at a clandestine prison hidden deep in the Nevada desert. None of their parents knew where they were. Their freedom seemed hopelessly far away. But they hadn't met Tobias father, Salah. Nor did they know about his unique set of skills, including a vehicle that could literally take them to the stars. Yet, Remmick also had a powerful set of skills and soldiers to back him up. Would Salah's skills, even with his vehicle, be enough to secure their freedom and reunite them with their parents?
