

One Day in Gitmo Nation (A No Agenda Novel)

In the near future, the world stands on the edge of global governance. In less than twenty-four hours, the lives of seven different people will be forever entwined in a global conspiracy that will result in the Presidents assassination. One Day in Gitmo Nation is a fast-paced thriller based on the topics discussed on the No Agenda show, a podcast hosted by Adam Curry and John C Dvorak. Thats not to say you have to be a listener to enjoy the book. Regular listeners will be able to pick out references but this is a thriller written for everyone with the premise: what if all the conspiracy theories were true? This edition contains two bonus short stories: The Foot on the Shore and A Gitmo Nation Christmas Carol.
