

A Cowboy of Her Own (Mills & Boon American Romance) (The Cash Brothers, Book 6)

He wasn't looking for love. Fun-loving Arizona rodeo cowboy Porter Cash has always been more interested in having a good time than a steady paycheck. But to realize his dream of owning his own ranch, Porter needs this new job delivering roughstock to rodeos. What he doesn't need is a too-serious, too-smart and too-sexy-for-her-own-good copilot on the trip. When savvy insurance adjuster Wendy Chin joins Porter for the haul, she is all work and no play. But soon, business turns to pleasure and Wendy is conflicted. Her heart wants Porter, but her strict Chinese-American parents will never support the match. Can Porter find a way to prove to Wendy that, when it comes to love, he's not fooling around?
