

The Creature from Beyond Infinity

[A] pomegranate writer: popping with seedsfull of ideas. Ray Bradbury We are all part of some cosmic pattern, and this pattern works toward good and not evil. It builds and does not destroy. So I shall go on in my search for a race where I can find kinship and happiness. ?Henry Kuttner COSMIC TERROR STRIKES AS A MESSENGER OF DEATH SWEEPS THROUGH THE UNIVERSE. Like a great, lethal snake, plague creeps through the galaxies. No conscious entity can halt its progress, and life is slowly draining from planet after planet. Only one super-intelligence is capable of preventing cataclysm. To do it, he must penetrate far beyond infinity - to the formless, deathless creatures out to kill the universe.
