

## The Digital Plague (Avery Cates)

They spread, Mr. Cates.... Once a single microscopic unit enters the body, it begins replicating. Once there are enough units in the body, they begin...consuming. Avery Cates is a very rich man. Hes probably the richest criminal in New York City. But right now, Avery Cates is pissed. Because everyone around him has just started to die-in a particularly gruesome way. With every moment bringing the human race closer to extinction, Cates finds himself in the role of both executioner and savior of the entire world.
