

A Succubus Tale: Volumes 1-6

Specifically Written For Women Only Volumes 1 - 6 A young woman named Karma feels like there is something wrong with her. She is shy, has no real circle of friends and is basically a wallflower. Her only sexual experience was with a young man and a somewhat lesbian thing with her best and only friend. That's when she realized that she was bisexual and liked the pleasure a man or a woman could give her. She feels that there is something fighting to get out and one day she notices that men and women are starting to give her looks and it leads to an awakening for her. She doesn't know that she is half succubus and half human, but she is about to experience things that will shock and amaze her.
