

## THE BRIDES OF BARLSEA

A fly on the wall look at a typical urban village taken over by wealthy city incomers. Their lifestyles are examined as is the role of the indulged stay at home bored housewife with too much time on her hands. Popular leaders of the community, Rick and Susan, are successfully ruined by their very best friends in this flowing story of everyday 21st century life. Other villagers drift in and out of the plot as some very dirty tricks are played. Barbecues, dinner parties and the big wedding all feature as our housewives seek all their thrills, in or out of the marriage. A careful look at the nouveau riche and their not necessarily glamorous lifestyles.
