

EVE OF REGRESSION The Gates of Eden

Following a rough map, a group of six people, each in his own way obsessed with the potential discovery, venture deep into the vast, treacherous African savannah in search of the grave of Adam and Eve. The consequences could be staggering. It could be the the missing link that would bring science and religion together. Genesis could be proven. However, a powerful truth awaits them at The Gates of Eden. This bestselling adventure novel with foreign translations in Spanish, Italian, French and Polish that has sold out printings worldwide is now available in this Kindle Edition by Vellum Publishing, Inc..
