

The Jaguar Knights (Chronicle of the Kings Blades Series Book 3)

The realms most feared swordsman, Sir Wolf has earned his name, the Kings Killer, well. Unlike many of his brother Blades, however, Wolf detests his sworn duty to do the bloody bidding of a liege he can never respect. But when an impregnable fortress is breached and a former royal mistress is abducted by brazen assailants, Wolf must leap into the fray. Burdened with the company of his disgraced brother, Sir Lynx the only Blade ever to lose his ward and live and shadowed by a mysterious Inquisitor with a secret agenda, Wolf must make his way across a landscape of nightmares vivid and terrible enough to chill any fearless heart. For somewhere in this dark, unfamiliar world, the fate of all Chivial hangs in the balance and it is the destiny of one reluctant Blade to tip the scales to salvation . . . or doom.
