

## The Girl

Her name was Hannah Boyle, but to the people of the village she could always be The Girl--Matthew Thorntons bastard. Savagely treated by Matthews wife Anne, she fled for protection to the devil-may-care horse-dealer, Ned Ridley, who had earlier befriended her. But, as the waif grew to beautiful womanhood, she became an object of desire to the local young men, even to her half-brother. Married off to a gross, sensual man, Hannah kept on fighting for the man she wanted: Ned Ridley, who adored her and taught her the meaning of love and passion... From the Paperback edition.
