

## The Foster Grove Books

A name inherited-A voice echoing through generations-but who is Foster Grove? A fledgling superhero, A member of an ancient race, A ntankerous old dragon catcher, A young girl trying to clear her name, or something else entirely? In five interlocking stories of adventure and good versus evil (with a bit of humour, tragedy, death, a trip to the Lake District, a dead hamster and a Sasquatch thrown in), this question will be answered, one way or another. A book for all readers from early teens upwards.
