

The God Thought

A MASSIVE EXPLOSION... levels a small town in Kansas and rips apart the commercial airliner flying overhead. The wife and child of Oliver Wells are among the thousands reported dead. Authorities blame the tragedy on an accident at a fertilizer plant not up to code. A year later, still grappling with his depression, Oliver is accosted by a mysterious stranger who offers another answer: A FARMER CAUSED THE EXPLOSION. AN EXPLOSION BORN OF THOUGHT. A THOUGHT SO PERFECT AND DIVINE ITS SAID TO MIRROR WHAT GOD THOUGHT TO CONCEIVE THE UNIVERSE. Thrust into a hidden world of conspirators and luminaries who would do anything to attain the farmers knowledge, Oliver finds himself in a race to confront the man who killed his family. To do so, he must test the limits of his sanity... AND UNLOCK THE POWER OF THE GOD THOUGHT FOR HIMSELF.
