

The Gods of Mars

The Gods of Mars is a 1918 Edgar Rice Burroughs science fiction novel, the second of his famous Barsoom series. It was first published in All-Story as a five-part serial in the issues for January-May 1913. It was later published as a complete novel by A. C. McClurg in September, 1918. Throughout his novels, Burroughs uses the classic device of a fictional Foreword or Preface that suggests that the contents of the following story reflect true events.
