

## Death Valley (German Edition)

Ein Buch, das kriminalistisch gewurzte Urlaubserlebnisse erzählt, für Menschen, die gern reisen und selbst den Dingen auf den Grund gehen wollen. Denn immer wieder passiert es, dass Personen einfach verschwinden, dass sie abtauchen. Hinterher weiß niemand mehr so ganz genau, wie es zu diesem Phänomen gekommen ist. Es gibt einige Anhaltspunkte, die auf ein Verbrechen hindeuten. Natürlich hatten Kommissar Riese und seine pfiffige und wendige Sekretarin, Frau Lempke, nicht den Mord oder den fest umrissenen Tatbestand vor sich. Im Moment steht nur fest, dass drei Personen spurlos verschwunden sind, sich in Luft aufgelöst haben. In ganz Deutschland und auch in Amerika werden sie inzwischen gesucht mit der Erkenntnis, dass diese drei Menschen verschollen oder tot sind. Dass diese Annahme nicht unbedingt stimmt, davon kann sich der Leser selbst mit einer gewissen Spurnase ein Bild machen.
